*** Beginning in 2014, monthly reporting for apartment, duplex and townhome permits will be altered from previous years. Permits for apartment buildings will be reported as residential construction, whereas previously they were reported as commercial construction, and the number of buildings and units will be reported as well. Permits are issued for each living unit in a duplex or townhome; therefore, the number of permits and units will be the same.

**** Includes garage and carport permits for apartment complexes.
