

Project Purpose

To improve the access and ease any potential congestion of Renner Boulevard north of 87th Street Parkway resulting from the development of the Residences at Lenexa City Center or any other project abutting Renner Boulevard north of 87th Street Parkway.

Project Description

Reconstruct Renner Boulevard north of 87th Street Parkway approximately 2,650 feet. The project will separate the north and southbound lanes, make each two-lane, add a roundabout, curb and gutters, as well as signalize the intersection at 84th Street.

Location

Renner Boulevard and 87th Street Parkway

Designer

Olsson / McAnany Construction

Contractor

Olsson / McAnany Construction

Construction Timeline

2013 - 2014

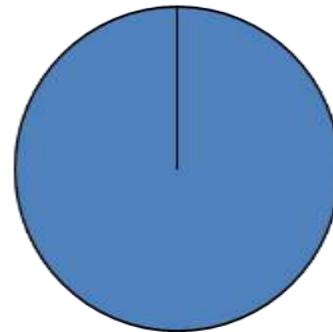

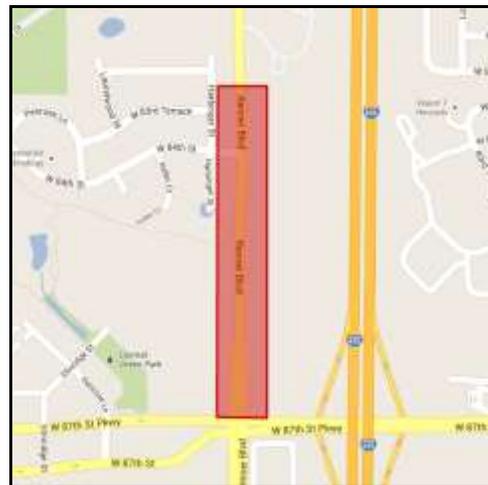

Total Cost

\$4,540,000
